

## RAMFOAM

### FOAM BOOSTER & HIGH-FOAMING PRE-WASH

**RAMFOAM** is a foam-booster and high-foaming pre-wash designed for a variety of automatic and manual foaming vehicle wash systems.

**RAMFOAM** aids in producing denser and more stable foam that increases residence time for softening bulk dirt, grime, and environmental contaminants for quick and easy rinsing in preparation for a more efficient and effective secondary stage cleaning.

**RAMFOAM** may be used in automatic foaming systems and provides lubrication to rotating brushes in tunnel wash systems.

### FEATURES & BENEFITS

- No VOC's
- Very high foaming
- Non-hazardous
- Near-neutral pH
- Pleasant cherry aroma
- Contains no harsh alkali, phosphates, or solvents
- Concentrate formula available with the product **SUPER RAMFOAM**
- User friendly
- Cost efficient
- Safe for all vehicle finishes and surfaces

### DIRECTIONS FOR USE

#### Use procedure

Use **RAMFOAM** as part of a foaming system or manual or automatic foam brush application to remove stubborn deposits or in combination with an effective wash detergent.

#### Concentration

For all applications, dilute at 190:1 or approximately 0.3-0.6% v/v with water.

#### Use temperature

Most effective in a hot water application.

#### Dwell time/Operation time

Allow to dwell 3 to 5 minutes before final rinsing.

#### Mechanical action

Scrubbing with a manual brush and high pressure rinsing recommended for removing stubborn deposits.

#### Rinsing

High pressure hot water is recommended.

# RAMFOAM<sup>®</sup> FOAM BOOSTER & HIGH-FOAMING PRE-WASH

## PHYSICAL PROPERTIES

Appearance	Clear, red liquid
Odour	Cherry
Specific gravity @ 20°C	1.07
Viscosity	Not available
pH	7.0-8.0
Flash point (TCC)	None
Water solubility	Complete
Boiling point	Approx. 100°C (212°F)
Freezing point	Approx. -10°C (14°F)
Foaming tendency	High
Rinsing	Excellent
Concentration monitoring techniques	Not available

## INCOMPATIBILITY

Acids, strong oxidizing agents

## WAREHOUSING PRECAUTIONS

Keep containers tightly closed away from direct sunlight in a dry, cool and well-ventilated place

## AVAILABLE SIZES

			
20L	120L	205L	1000L

## IMPORTANT

Before using **RAMFOAM**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

## FIRST AID MEASURES

### Ingestion

Rinse mouth. Do not induce vomiting unless directed by medical personnel. Call a POISON CENTER or doctor/physician if you feel concerned or unwell.

### Skin contact

Wash with plenty of water. If skin irritation occurs, get medical advice/attention. Take off contaminated clothing and wash it before re-use.

### Inhalation

If difficulties occur after mist or spray has been inhaled, remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

### Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice/attention.
