

RENEW

STAIN REMOVER & PRE-SOAK

RENEW is an industrial strength laundry stain remover designed for pre-treating or pre-soaking work wear, linen and clothing stained with tough organic, oil, fat, grease, petroleum and wax soils safely while brightening fabrics.

FEATURES & BENEFITS

- Highly concentrated
- Near-neutral pH
- Pleasant fragrance
- Contains fabric brightener
- Safe on all fabrics
- Removes tough stains and brightens fabrics

DIRECTIONS FOR USE

Use procedure

Spray **RENEW** undiluted directly onto stain and agitate or brush stained area or immerse in a pre-soak solution prior to direct addition to wash cycle. For optimum results, use in combination with West Penetone laundry care products.

Concentration

For pre-soak applications, use 50 to 60 ml or approximately 1/4 cup per litre of water for a pre-soak solution.

Use temperature

Effective in both hot and cold water.

PHYSICAL PROPERTIES

Appearance	Clear, blue liquid
Odour	Banana
Specific gravity @ 20 °C	1.020-1.030
Viscosity	Not available
pH	9.0-9.3
Flash point (TCC)	None
Water solubility	Complete
Auto Ignition Temperature	None
Boiling point	Approx. 100°C (212°F)
Freezing point	Approx. -10°C (14°F)
Foaming tendency	Moderate
Rinsing	Excellent
Concentration monitoring techniques	Not applicable

INCOMPATIBILITY

Acids, strong oxidizing agents

WAREHOUSING PRECAUTIONS

Keep containers tightly closed away from direct sunlight in a dry, cool and well-ventilated place

AVAILABLE SIZES

			
	20L		

IMPORTANT

Before using **RENEW**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: get medical advice/attention.

Skin contact

Wash with plenty of water. If skin irritation occurs: get medical advice/attention. Take off contaminated clothing and wash it before reuse.

Inhalation

If difficulties occur after mist/spray has been inhaled, remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel concerned or unwell.

Ingestion

Rinse mouth. Remove person to fresh air and keep at rest in a position comfortable for breathing. Do not induce vomiting unless directed by medical personnel. Call a POISON CENTER or doctor/physician if you feel concerned or unwell.
