

## **RIDSTONE**

Foaming acid cleaner

**RIDSTONE** is a high foaming acid cleaner which contains mineral acids and detergents specially chosen to remove mineral deposits on surfaces.

**RIDSTONE** is effective in maintaining aluminum surfaces.

## FEATURES AND BENEFITS

- Powerful acid
- High foaming
- · Foam clings to vertical sufaces
- Mild odour
- Effectively restores oxidized aluminum surfaces
- Effectively removes rust
- Highly effective in the removal of calcium and scale deposits found on equipment, particularly stainless steel

## DIRECTION FOR USE

Soils to be removed

Use procedure

Scale deposits.

Foam  $\ensuremath{\mathbf{RIDSTONE}}$  solution on surfaces to be cleaned, if possible brush the product on the

surface, then rinse with cool or warm water.

Food processing equipment

Concentration Between 0.1 % and 4 % (1 ml to 40 ml /litre) according to degree of soil.

emperature Between 10°C and 30°C (50 to 86°F).

Dwell time/Operation time Between 5 and 10 minutes.

Mechanical action Scrubbing recommended.

Rinsing Thoroughly rinse with potable hot or warm water.

## Aluminum or stainless steel surfaces

Soils to be removed

no procedure Form BIDST

Use procedure

Foam RIDSTONE solution on the surfaces to be treated.

Between 0.1% and 8% (1 ml to 80 ml / litre) according to degree of soil.

Temperature Wa

Warm or cold. 2 to 5 minutes.

Oxidation deposits.

Dwell time/Operation time

Mechanical action

Not needed for aluminum, but useful on stainless steel.

Rinsing

Rinse with cold or warm water.

## **IMPORTANT**

Before using **RIDSTONE**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

## FIRST AID MEASURES

## Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

## Skin contact

Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.

#### Inhalation

Remove person to fresh air and keep at rest in a position comfortable for breathing. Immediately call a POISON CENTER or doctor/physician.

#### Ingestion

Do not induce vomiting. Drink 1 or 2 glasses of water. Call a physician or Poison Control Centre immediately. Never give anything by mouth to an unconscious person.
