

## RIDSTONE

### FOAMING ACID CLEANER

**RIDSTONE** is a high foaming acid cleaner which contains mineral acids and detergents specially chosen to remove mineral deposits on surfaces.

**RIDSTONE** is highly effective in the removal of calcium and scale deposits found on equipment, particularly stainless steel.

**RIDSTONE** is also very effective in maintaining aluminum surfaces.

### FEATURES & BENEFITS

- Powerful acid
- High foaming
- Foam clings to vertical surfaces
- Mild odour
- Effectively restores oxidized aluminum surfaces
- Effectively removes rust

### DIRECTIONS FOR USE

<b>Equipment to be treated</b>	Aluminum or stainless steel surfaces.
<b>Soils to be removed</b>	Oxidation deposits.
<b>Use procedure</b>	Foam <b>RIDSTONE</b> solution on the surfaces to be treated.
<b>Concentration</b>	Between 0.1% and 8% (1 ml to 80 ml / litre), according to degree of soil.
<b>Temperature</b>	Warm or cold.
<b>Dwell time/Operation time</b>	2 to 5 minutes.
<b>Mechanical action</b>	Not needed for aluminum, but useful on stainless steel.
<b>Rinsing</b>	Rinse with cold or warm water.

# RIDSTONE FOAMING ACID CLEANER

## PHYSICAL PROPERTIES

Appearance	Clear, colorless liquid
Odour	Acidic
Specific gravity @ 20°C	1.17
Viscosity	<10 cps
pH	<1
Flash point (TCC)	None
Water solubility	Complete
Auto ignition temperature	None
Chlorine	None
Boiling point	100°C
Freezing point	Not available
Foaming tendency	High
Concentration monitoring techniques	Electrical conductivity, titration
Rinsing	Excellent

## INCOMPATIBILITY

Bases, organic materials  
light metals, bleach

## WAREHOUSING PRECAUTIONS

Keep containers tightly closed in a dry,  
cool and well-ventilated place

## AVAILABLE SIZES

		
<b>20L</b>	<b>205L</b>	

## IMPORTANT

Before using **RIDSTONE**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

## FIRST AID MEASURES

### Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

### Skin contact

Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.

### Inhalation

Remove person to fresh air and keep at rest in a position comfortable for breathing. Immediately call a POISON CENTER or doctor/physician.

### Ingestion

Do not induce vomiting. Drink 1 or 2 glasses of water. Call a physician or Poison Control Centre immediately. Never give anything by mouth to an unconscious person.
