

## RIG WASH LIQUID

GENERAL PURPOSE ALKALINE  
CLEANER & DEGREASER

**RIG WASH LIQUID** is a mild liquid alkaline cleaner and degreaser designed to provide the most basic in safe surface cleaning.

Free of any harsh alkali while providing industrial strength detergency, **RIG WASH LIQUID** effectively mobilizes debris, dirt, and grease or oils from all hard surfaces in all types of water conditions and wash settings to provide an essentially bare yet clean surface for operation or repairs.

## FEATURES & BENEFITS

- High foaming
- Free of harsh alkali
- Non-corrosive
- Industrial strength detergency
- Cost effective
- Compatible with all hard surfaces including polished aluminum and painted surfaces
- Effective in a multitude of cleaning applications found in the oilfield and energy service sectors
- May be used for manually cleaning parts, tools, and equipment

## DIRECTIONS FOR USE

### Use procedures

Use **RIG WASH LIQUID** as part of a manual, steam, or high-pressure application in hard or soft water. Scour or brush stubborn deposits prior to application.

### Concentration

5% v/v for manual and steam applications.  
48:1 ratio or 2% v/v for high-pressure applications.

### Dwell time/Operation time

Allow to dwell 3 to 5 minutes before final rinsing.

### Rinsing

High pressure hot water is recommended.

# RIG WASH LIQUID

GENERAL PURPOSE ALKALINE CLEANER & DEGREASER

## PHYSICAL PROPERTIES

Appearance	Clear, blue liquid
Odour	Detergent/glycol
Specific gravity @ 20°C	1.030-1.050
Viscosity	Not available
pH	12.0-13.0
Flash point (TCC)	None
Water solubility	Complete
Boiling point	Approx. 100°C (212°F)
Freezing point	Approx. -5°C (23°F)
Foaming tendency	High
Rinsing	Excellent
Concentration monitoring techniques	Titration
Titration-active alkalinity (as ppm NaOH)	2% v/v: approx. 210

## INCOMPATIBILITY

Strong acids

## WAREHOUSING PRECAUTIONS

Keep containers tightly closed away from direct sunlight in a dry, cool and well-ventilated place

## AVAILABLE SIZES

			
	20L	205L	1000L

## IMPORTANT

Before using **RIG WASH LIQUID**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S.).

## FIRST AID MEASURES

### Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice/attention.

### Skin contact

Wash with plenty of water. If skin irritation occurs, get medical advice/attention. Take off contaminated clothing and wash it before reuse.

### Inhalation

If difficulties occur after mist/spray has been inhaled, remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel concerned or unwell.

### Ingestion

Rinse mouth. Remove person to fresh air and keep at rest in a position comfortable for breathing. Do not induce vomiting unless directed by medical personnel. Call a POISON CENTER or doctor/physician if you feel concerned or unwell.
