

RINSE DRI

AUTOMATIC WAREWASH LIQUID RINSE AID

RINSE DRI is a low-foaming liquid rinse additive designed for use in automatic warewashing machines to promote rapid drying.

RINSE DRI works with a companion detergent in all water conditions to rinse away food while reducing haze, filming and water spotting to provide a rapid clean and sparkling shine.

FEATURES & BENEFITS

- Low foaming
- Brightly colored for visual confirmation of line flow
- Reduces the formation of water droplets
- Ensures even water evaporation for avoidance of haze, filming and smears
- Compatible with all makes and models of dishwashers and dispensers
- May be used manually in a three sink hand-wash operation with companion detergents and sanitizers

DIRECTIONS FOR USE

Use procedure

Use **RINSE DRI** as part of a manual wash procedure or via automatic injection pump system directly to rinse cycle.
For optimum results, use in combination with West Penetone companion detergent and sanitizer products.

Concentration

For all applications and water conditions use at 23-34 uL/L or approximately 24-35 ppm_v.

Use temperature

Most effective in a hot water rinse cycle.

RINSE DRI

AUTOMATIC WAREWASH LIQUID RINSE AID

PHYSICAL PROPERTIES

Appearance	Clear, pink liquid
Odour	Detergent/alcohol
Specific gravity @ 20°C	1.015-1.025
Viscosity	Not available
pH	6.5-7.5
Flash point (TCC)	None
Water solubility	Complete
Boiling point	Approx. 100°C (212°F)
Freezing point	Approx. 0°C (32°F)
Foaming tendency	Low
Rinsing	Excellent
Concentration monitoring techniques	Not applicable

INCOMPATIBILITY

Strong oxidizing agents, acids, bases

WAREHOUSING PRECAUTIONS

Keep containers tightly closed away from direct sunlight in a dry, cool and well-ventilated place

AVAILABLE SIZES

			
4X4L	20L		

IMPORTANT

Before using **RINSE DRI**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Ingestion

Rinse mouth. Do NOT induce vomiting. Call a POISON CENTER or doctor/physician if you feel unwell.

Skin contact

If skin irritation occurs: get medical advice/attention.

Inhalation

If difficulties occur after mist/vapors/spray has been inhaled, remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.
