

SUPER KLEEN

HEAVY-DUTY ALKALINE DETERGENT

SUPER KLEEN is a high pH detergent designed with broad application dilution for customized, safe and efficient dispersion of debris, removal of road film, grime, grease and oils from finished washable hard surfaces.

FEATURES & BENEFITS

- High foaming
- High pH for fast cleaning action
- No phosphates or NPE's
- CFIA Approved
- Combats hard-water deposits
- Can be used in **automatic foaming systems**
- Can be used as a pre-spray in **touchless wash systems**

DIRECTIONS FOR USE

Use procedures

Use **SUPER KLEEN** as part of a manual, foam, low-pressure or high-pressure application in hard or soft water. Scour or brush stubborn deposits prior to application.

Concentration

Use undiluted on compatible surfaces for all applications with heavy-duty soils or heavy soil loads.

10% v/v for low-pressure and foaming applications.
48:1 or approximately 2% v/v for high-pressure applications.
73:1 to 96:1 for tunnel wash applications.

Dwell time/Operation time

Allow to dwell 3 to 5 minutes before final rinsing.

Rinsing

High pressure hot water is recommended.

SUPER KLEEN

HEAVY-DUTY ALKALINE DETERGENT

PHYSICAL PROPERTIES

Appearance	Clear, blue liquid
Odour	Glycol/detergent
Specific gravity @ 20°C	1.085-1.105
Viscosity	Not available
pH	12.5-13.5
Flash point (TCC)	None
Water solubility	Complete
Boiling point	Approx. 100°C (212°F)
Freezing point	Approx. 0°C (32°F)
Foaming tendency	High
Rinsing	Excellent
Concentration monitoring techniques	Titration

INCOMPATIBILITY

Acids, strong oxidizing agents, amphoteric or light metals

WAREHOUSING PRECAUTIONS

Keep containers tightly closed away from direct sunlight in a dry, cool and well-ventilated place

AVAILABLE SIZES

			
	20L	205L	

IMPORTANT

Before using **SUPER KLEEN**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S.).

FIRST AID MEASURES

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

Skin contact

Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.

Inhalation

Remove person to fresh air and keep comfortable for breathing. Immediately call a POISON CENTER or doctor/physician.

Ingestion

Rinse mouth. Do NOT induce vomiting. Immediately call a POISON CENTER or doctor/physician.
