

SUPER RAMFOAM

ULTRA FOAM BOOSTER & HIGH-FOAMING PRE-WASH

SUPER RAMFOAM is an ultra foam-booster and high-efficiency pre-wash alternative for automatic and manual foaming vehicle wash systems. Its high detergent formulation removes more bulk dirt, grime, and environmental contaminants.

The active detergent formulation produces a longer foam residence time which improves penetration, softening and mobilization of heavy deposits of dirt, grime, and environmental contaminants for more efficient rinsing in preparation for a complete vehicle finish restoration.

SUPER RAMFOAM may be used in automatic foaming systems and provides lubrication to rotating brushes in tunnel wash systems.

FEATURES & BENEFITS

- No VOC's
- Very high foaming
- Non-hazardous
- Near-neutral pH
- Pleasant cherry aroma
- Contains no harsh alkali, phosphates, or solvents
- Available in a tri-color format of blue, red, and gold
- User friendly
- Cost efficient
- Safe for all vehicle finishes and surfaces

DIRECTIONS FOR USE

Use procedure

Use **SUPER RAMFOAM** as part of a foaming system or manual or automatic foam brush application to remove stubborn deposits or in combination with an effective wash detergent.

Concentration

For all applications, dilute at 320:1 or approximately 0.2-0.3% v/v with water.

Use temperature

Most effective in a hot water application.

Dwell time/Operation time

Allow to dwell 3 to 5 minutes before final rinsing.

Mechanical action

Scrubbing with a manual brush and high pressure rinsing recommended for removing stubborn deposits.

Rinsing

High pressure hot water is recommended.

SUPER RAMFOAM

ULTRA FOAM BOOSTER & HIGH-FOAMING PRE-WASH

PHYSICAL PROPERTIES

Appearance	Clear, red, blue or yellow liquid
Odour	Cherry
Specific gravity @ 20°C	1.030-1.040
Viscosity	Not available
pH	7.0-8.0
Flash point (TCC)	None
Water solubility	Complete
Boiling point	Approx. 100°C (212°F)
Freezing point	Approx. -10°C (14°F)
Foaming tendency	High
Rinsing	Excellent
Concentration monitoring techniques	Not available

INCOMPATIBILITY

Strong oxidizing agents

WAREHOUSING PRECAUTIONS

Keep containers tightly closed away from direct sunlight in a dry, cool and well-ventilated place

AVAILABLE SIZES

			
	20L	60L	

IMPORTANT

Before using **SUPER RAMFOAM**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Ingestion

Rinse mouth. Do not induce vomiting unless directed by medical personnel. Call a POISON CENTER or doctor/physician if you feel concerned or unwell.

Skin contact

Wash with plenty of water. If skin irritation occurs, get medical advice/attention. Take off contaminated clothing and wash it before re-use.

Inhalation

If difficulties occur after mist or spray has been inhaled, remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice/attention.
