

## SUPREME TRUCK

### POWDERED CLEANER FOR VEHICLE EXTERIOR

**SUPREME TRUCK** is versatile and cost-effective powdered alkaline cleaner with a lowered phosphate content as well as a high concentration of surfactant and dispersant for rapidly mobilizing a multitude of soils and debris in a variety of wash system set-ups. It can be used in a variety of exterior vehicle wash applications including high pressure systems.

**SUPREME TRUCK** also rinses quickly to provide a spot-free finish to both glass and vehicle body surface.

### FEATURES & BENEFITS

- Rapid solubility
- High foaming
- Lowered phosphate content
- Contains active soil dispersant and anti-redeposition aid for high solids cleaning and spot-free rinsing
- Excellent water conditioning properties
- Combats hard-water deposits on both glass and vehicle body
- Safe for all vehicle finishes and surfaces

### DIRECTIONS FOR USE

Use procedure	Use <b>SUPREME TRUCK</b> as part of a manual, foaming, or high-pressure application in hard or soft water. Scour or brush stubborn deposits prior to application.
Concentration	5% to 10% w/v in mixing drums, depending on degree of soil, and apply by foamer or dilute further at 1280:1 to 320:1 or approximately 0.1-0.3% v/v with water for high-pressure applications, depending on the system set-up.
Use temperature	Most effective in a hot water.
Dwell time/Operation time	Allow to dwell 3 to 5 minutes before final rinsing.
Mechanical action	Scrubbing and high pressure application and rinsing recommended for removing stubborn deposits.
Rinsing	High pressure hot water is recommended.

# SUPREME TRUCK POWDERED CLEANER FOR VEHICLE EXTERIOR

## PHYSICAL PROPERTIES

Appearance	Green powder
Odour	Citrus
Specific gravity @ 20°C	Not applicable
Viscosity	Not available
pH	10.5 (1% w/v solution)
Flash point (TCC)	None
Water solubility	Complete
Boiling point	Not available
Freezing point	Not applicable
Foaming tendency	High
Rinsing	Excellent
Concentration monitoring techniques	Titration

## INCOMPATIBILITY

Acids, strong oxidizing agents, amphoteric or light metals

## WAREHOUSING PRECAUTIONS

Keep containers tightly closed away from direct sunlight in a dry, cool and well-ventilated place

## AVAILABLE SIZES

			
20Kg	90Kg	180Kg	

## IMPORTANT

Before using **SUPREME TRUCK**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

## FIRST AID MEASURES

### Ingestion

Rinse mouth. Do NOT induce vomiting. Call a POISON CENTER or doctor/physician if you feel unwell.

### Skin contact

Wash with plenty of water. If skin irritation or rash occurs, get medical advice/attention. Take off contaminated clothing and wash it before re-use. Call a POISON CENTER or doctor/physician if you feel unwell.

### Inhalation

Remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

### Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.
