

### **TCS 300**

#### ECONOMICAL CLEANER FOR VEHICLE EXTERIOR

**TCS 300** is an economical and mild liquid cleaner designed for the most basic in safe cleaning of vehicle exteriors and finishes.

Free of any harsh alkali while providing industrial strength detergency, it effectively mobilizes debris, dirt, and soils from all hard surfaces in all types of water conditions and wash settings to provide an essentially bare yet clean finish.

#### **FEATURES & BENEFITS**

- · High foaming
- Free of harsh alkali
- Non-corrosive
- Non-hazardous
- Industrial strength detergency
- User friendly
- Cost effective
- · Safe for all vehicle finishes and surfaces
- May be used in high pressure systems

# DIRECTIONS FOR USE

Use procedure Use TCS 300 as part of a manual, low-pressure, or high-pressure application in hard or soft water.

Scour or brush stubborn deposits prior to application.

Concentration Dependent on water quality when applying manually.

Low-pressure applications, 19:1 to 9:1 or approximately 5-10% v/v with water.

High pressure applications, 96:1 or approximately 1% v/v with water.

Use temperature Most effective in a hot water.

Dwell time/Operation time Allow to dwell 3 to 5 minutes before final rinsing.

Mechanical action Scrubbing and high pressure rinsing recommended for removing stubborn deposits.

Rinsing High pressure hot water is recommended.

#### **IMPORTANT**

Before using **TCS 300**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

#### FIRST AID MEASURES

#### Ingestion

Rinse mouth. Remove person to fresh air and keep at rest in a position comfortable for breathing. Do not induce vomiting unless directed by medical personnel. Call a POISON CENTER or doctor/physician if you feel concerned or unwell.

#### Skin contact

Wash with plenty of water. If skin irritation occurs, get medical advice/attention. Take off contaminated clothing and wash it before re-use.

#### Inhalation

If difficulties occur after mist or spray has been inhaled, remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

#### Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice/attention.
