

# TITAN PLUS

## LIQUID AUTOMATIC WAREWASH DETERGENT

**TITAN PLUS** is a low-foaming, high alkali liquid detergent designed for use in automatic warewashing machines under all water conditions, including extreme hard water areas. It rapidly removes food soils and eliminates water spotting to provide a rapid, streak-free shine.

**TITAN PLUS** inhibits scale formation on machine surfaces and clean wares.

**TITAN PLUS** for use in all types of automatic warewashing equipment and dispensers.

## FEATURES AND BENEFITS

- Low foaming
- High alkali content for rapid solubilisation and removal of food soils
- Contains added detergent for reducing films and providing better rinsing
- Fast acting
- Effective under all temperature conditions

## DIRECTION FOR USE

<b>Technique</b>	Add <b>TITAN PLUS</b> via automatic injection pump system directly to wash cycle. For optimum results, use in combination with <b>West Penetone</b> companion rinse aid and sanitizer products.
<b>Concentration</b>	1.5-2.5 mL/L for normal water conditions. 3.0-4.0 mL/L for extreme hard water conditions.
<b>Temperature</b>	Effective in both hot and cold water.

# TITAN PLUS LIQUID AUTOMATIC WAREWASH DETERGENT

## PHYSICAL PROPERTIES

Appearance	Clear, tan liquid
Odour	Detergent
Specific gravity @ 20°C	1.245-1.255
Viscosity	< 10 cps
pH	> 13.5
Flash point (TCC)	None
Water solubility	Complete
Auto ignition temperature	None
Chlorine	None
Boiling point	100°C
Freezing point	Approx. -15°C
Foaming tendency	Non-foaming
Concentration monitoring techniques	Not applicable
Rinsing	Excellent

## INCOMPATIBILITY

Strong oxidizing materials, acids, light metals

## WAREHOUSING PRECAUTIONS

Keep containers tightly closed in a dry, cool and well-ventilated place

## AVAILABLE SIZES

			
4 X 4L	2 X 10L	20L	205L

## IMPORTANT

Before using **TITAN PLUS**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

## FIRST AID MEASURES

### Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

### Skin contact

Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.

### Inhalation

Remove victim to fresh air and keep at rest in a position comfortable for breathing. Immediately call a POISON CENTER or doctor/physician.

### Ingestion

Do not induce vomiting. Drink 1 or 2 glasses of water. Call a physician or Poison Control Centre immediately. Never give anything by mouth to an unconscious person.

## PERSONAL PROTECTION
