

## TITAN PLUS

### AUTOMATIC DISHWASHER DETERGENT

**TITAN PLUS** is a low-foaming, high alkali liquid detergent designed for use in automatic warewashing machines under all water conditions, including extreme hard water areas. It rapidly removes food soils and eliminates water spotting to provide a rapid, streak-free shine.

For use in all types of automatic warewashing equipment and dispensers located in hospitality, health care, food processing, and restaurant settings.

### FEATURES & BENEFITS

- Low foaming
- High alkali content for rapid solubilisation and removal of food soils
- Contains added detergent for reducing films and providing better rinsing
- Fast-acting
- Inhibits scale formation on machine surfaces and clean wares
- Effective under all temperature conditions
- Effective in extreme hard water areas

### DIRECTIONS FOR USE

#### Use procedure

Add **TITAN PLUS** via automatic injection pump system directly to wash cycle. For optimum results, use in combination with West Penetone companion rinse aid and sanitizer products.

#### Dispenser dilution rates

1.5-2.5 ml/L for normal water conditions.  
3.0-4.0 ml/L for extreme hard water conditions.

#### Use temperature

Effective in both hot and cold water.

# TITAN PLUS AUTOMATIC DISHWASHER DETERGENT

## PHYSICAL PROPERTIES

Appearance	Clear, tan liquid
Odour	Perfumed
Specific gravity @ 20°C	1.02
Viscosity	Not available
pH	12.5-13.5
Flash point (TCC)	None
Water solubility	Complete
Boiling point	Approx. 100°C (212°F)
Freezing point	Approx. -15°C (5°F)
Foaming tendency	Non-foaming
Rinsing	Excellent
Concentration monitoring techniques	Titration

## INCOMPATIBILITY

Strong oxidizing materials, acids, amphoteric or light metals

## WAREHOUSING PRECAUTIONS

Keep containers tightly closed away from direct sunlight in a dry, cool and well-ventilated place

## AVAILABLE SIZES

			
<b>4 X 4L</b>	<b>2 X 10L</b>	<b>20L</b>	<b>205L</b>

## IMPORTANT

Before using **TITAN PLUS** always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

## FIRST AID MEASURES

### Ingestion

Rinse mouth. Do NOT induce vomiting. Immediately call a POISON CENTER or doctor/physician.

### Skin contact

Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.

### Inhalation

Remove person to fresh air and keep comfortable for breathing. Immediately call a POISON CENTER or doctor/physician.

### Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.
