

# TORQUE HD

## ALKALINE DEGREASER

**TORQUE HD** is a versatile, phosphate-free cleaner and degreaser designed to tackle a wide range of oily and greasy industrial soils found on walls, floors, oil rigs and other hard surfaces. **TORQUE HD** can be used to clean diesel exhaust and smoke stains from walls in workshops and wash bays.

**TORQUE HD** is particularly effective for cleaning fin-fan coolers and heat exchangers found in gas plants. In these specialized applications the most efficient results are obtained when using foam application methods.

## FEATURES & BENEFITS

- Highly active formula
- High foaming and easy rinsing product
- Safe for all types of pressure washers and foam applicators
- Phosphate free
- Versatile; suitable for cleaning walls, floors, equipment and motor vehicles
- Very effective for cleaning fin-fan coolers

## DIRECTIONS FOR USE

### Use procedure

Apply the **TORQUE HD** solution to the soiled area using a low-pressure spray or foam applicator. Allow sufficient time to loosen tough soils. For particularly stubborn grime, a gentle brushing may be necessary. Rinse surface thoroughly with water. To prevent damage, do not allow the solution to dry on glass, soft metal, or painted surfaces.

### Concentration

5:1 to 10:1 for heavy-duty degreasing and foaming applications  
25:1 for cleaning glass or painted surfaces

### Use temperature

Can be used in both hot and cold-water cleaning applications. For best results, hot water (50°C - 60°C / 120°F - 140°F) is recommended.

### Rinsing

High pressure hot water is recommended.

# TORQUE HD

ALKALINE DEGREASER

## PHYSICAL PROPERTIES

Appearance	Clear, colorless liquid
Odour	Odorless
Specific gravity @ 20°C	1.210 - 1.230
Viscosity	Not available
pH	5.5 - 6.5 (10% v/v solution in water)
Flash point (TCC)	None
Water solubility	Complete
Boiling point	Approx. 100°C (212°F)
Freezing point	Approx. 0°C (32°F)
Foaming tendency	High
Concentration monitoring techniques	Not available

## INCOMPATIBILITY

Strong oxidizing agents, acids

## WAREHOUSING PRECAUTIONS

Store away from incompatible materials  
Keep from freezing

## AVAILABLE SIZES

			
20L	205L	1000L	

## IMPORTANT

Before using **TORQUE HD** always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

## FIRST AID MEASURES

### Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a POISON CENTER or doctor/physician immediately.

### Skin contact

Take off contaminated clothing and rinse skin with plenty of water. Get medical advice/attention. Wash any contaminated clothing before re-use.

### Inhalation

If difficulties occur after mist/vapors/spray has been inhaled, remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician.

### Ingestion

Do not induce vomiting unless directed by medical personnel. Rinse mouth with water and drink 1 or 2 glasses of water and call a POISON CENTER or doctor/physician immediately.
