

## RESEARCH *and development...*

With over 100 years of manufacturing and product development experience, the West Penetone family of companies has developed and patented a number of products designed to satisfy the needs of its numerous clients throughout the world. Whatever cleaners, degreasers or decontamination products may be required, we offer a broad range of products that meet the highest standards of safety and efficacy.

Concerned as we always are about environmental impact, we have introduced a new line of "green" cleaners and degreasers as well as super concentrated formulas for a dramatic reduction of packaging.

**Looking for a product to meet a specific need?** Our team of experts can develop products that will answer your requirements.

**Implementation of chemical application procedures by our technical team allows you to carry out your cleaning operations while ensuring a safe environment.**

# Turnaround cleaners

Products	Description	Features and Benefits
<b>PENBLITZ 688L</b> Liquid tower flush compound	<b>Highly concentrated liquid alkali cleaner designed for flushing out gas plant towers. PENBLITZ 688L is also effective for various types of vessel cleaning.</b>	<ul style="list-style-type: none"> <li>Comprehensive product design does the job of caustic soda beads, but reduces the cost of other normal cleaning additives</li> <li>Good for removing iron sulphides and asphaltenes</li> <li>Contains chelating agents, great for stripping rust</li> <li>May be used in hot dip tank applications</li> <li>Capacity for scale and corrosion control</li> </ul>
<b>NEUTRO 7</b> Sludge & waste neutralizer	<b>Modified mineral acid blend designed specifically for treating and neutralizing spent solutions generated by turnaround cleaning processes.</b>	<ul style="list-style-type: none"> <li>Concentrated mineral acid</li> <li>Will not produce odorous gases during neutralization</li> </ul>
<b>METASOL</b> Heavy duty alkaline degreaser	<b>High-foaming degreaser and metal brightener that was specially designed for fin fan cooling systems and heat exchangers.</b>	<ul style="list-style-type: none"> <li>Phosphate free</li> <li>Low viscosity</li> <li>Industrial strength detergency</li> <li>Compatible with metallic and non metallic surfaces</li> <li>Non flammable and non volatile</li> <li>Leaves a "like new" shine on metal surfaces</li> </ul>
<b>ENVIROSOL</b> Heavy duty citrus-solvent cleaner	<b>Heavy duty citrus-solvent cleaner designed for a variety of applications. It removes stubborn deposits such as tar, bitumen, heavy crudes, and carbonaceous soils from a variety of surfaces.</b>	<ul style="list-style-type: none"> <li>Pleasant odour</li> <li>Powerful and fast acting</li> <li>Does not freeze</li> <li>Leaves little to no residue</li> <li>Compatible with most metallic and plastic surfaces</li> </ul>
<b>RAMSOL</b> Heavy duty solvent cleaner	<b>Heavy duty solvent cleaner designed for a variety of applications. It removes the most stubborn deposits such as tar, bitumen, heavy crudes, and carbonaceous soils from a variety of surfaces.</b>	<ul style="list-style-type: none"> <li>Aromatic penetrating solvent</li> <li>Powerful and fast acting</li> <li>Compatible with most metallic and non metallic surfaces</li> </ul>
<b>PENMUL R950T</b>	<b>Very similar to Ramsol without aromatic odors.</b>	<ul style="list-style-type: none"> <li>Low aromatic fumes</li> <li>Suitable for inside use where fumes are a concern</li> </ul>
<b>ROC 40</b> Vessel cleaner & degasification aid	<b>Environmentally-safe vessel cleaner specifically designed to remove organometallic sludges and lower the concentration of acidic and explosive gases.</b>	<ul style="list-style-type: none"> <li>Removes LEL, H<sub>2</sub>S, benzene and residual sludges</li> <li>User safe and environmentally friendly</li> <li>Caustic, phosphate and solvent free</li> <li>High foaming , low viscosity, neutral pH</li> <li>Pleasant wintergreen fragrance</li> <li>Non flammable, non volatile</li> </ul>
<b>CITRIKLEEN CR34</b> Heavy duty degreaser	<b>Citrus-based liquid degreaser specially designed with improved solvency for more aggressive cleaning. Effective for all heavy duty degreasing requirements.</b>	<ul style="list-style-type: none"> <li>Easily emulsified in water</li> <li>Pleasant citrus odour</li> <li>Higher solvency than CITRIKLEEN</li> <li>Reduces/eliminates the need for petroleum distillate based solvents</li> <li>Compatible with most metallic and non metallic surfaces</li> </ul>
<b>CITRIKLEEN HD</b> Citrus-based solvent degreaser	<b>Completely biodegradable heavy duty citrus-solvent for the aerospace, pipeline &amp; petroleum industries.</b>	<ul style="list-style-type: none"> <li>Water emulsifiable solvent</li> <li>Its active ingredient is from a vegetable extract</li> <li>Mild and pleasant citrus odour</li> <li>Highly concentrated</li> <li>Contains no petroleum distillates or chlorinated solvent</li> <li>Corrosions tests done by independent US Air Force laboratories have shown CITRIKLEEN HD to be suitable for the cleaning of aircraft and aeronautic equipment</li> <li>Safe and pleasant to use</li> <li>Non-corrosive on most metals such as aluminum, magnesium, mild steel, cast iron, copper and cadmium.</li> </ul>
