

## WEST ARA-G

### RELEASE AGENT FOR ASPHALT

**WEST ARA-G** is a detergent and lubricant based release agent. It has the unique advantage of being miscible with water.

**WEST ARA-G** is designed to facilitate asphalt unloading from truck boxes.

### FEATURES & BENEFITS

- Completely biodegradable, without risk for the environment
- Contains no solvents
- No adverse effect on asphalt
- Safe on all surfaces
- Very foaming agent which allows good adhesion to vertical surfaces
- No unpleasant odor
- Resistant to high temperatures
- Wide variety of applicators available

### DIRECTIONS FOR USE

#### Use procedure

Coat the surface with **WEST ARA-G** diluted 1 to 5% with water, depending on the type of asphalt. For best results, use on a clean surface using a water-pressure metered sprayer.

## PHYSICAL PROPERTIES

Appearance	Opaque, black liquid
Odour	Detergent
Specific gravity @ 20°C	1.02
Viscosity	Not available
pH	10
Flash point (TCC)	None
Water solubility	Disperses
Boiling point	100°C (212°F)
Freezing point	Not available
Foaming tendency	High
Concentration monitoring techniques	Not applicable
Rinsing	Not applicable

## INCOMPATIBILITY

None

## WAREHOUSING PRECAUTIONS

Keep containers tightly closed away from direct sunlight in a dry, cool and well-ventilated place

## AVAILABLE SIZES

			
	20L	205L	1000L

## IMPORTANT

Before using **WEST ARA-G**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

## FIRST AID MEASURES

### Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

### Skin contact

Rinse skin with water. Wash contaminated clothing before reuse.

### Inhalation

Not applicable.

### Ingestion

Do not induce vomiting. Drink 1 or 2 glasses of water. Call a physician or Poison Control Centre immediately. Never give anything by mouth to an unconscious person.

## PERSONAL PROTECTION
