

WEST FL

LIQUID ALKALI

WEST FL is an exceptionally versatile and cost effective non-foaming liquid alkali.

WEST FL effectively removes a variety of debris and residues including carbonized deposits, natural fats, oils and grease, and dried acidic films or soils as well as acting as an additive for controlling and regulating pH.

FEATURES & BENEFITS

- Powerful alkali
- Non foaming
- Completely water soluble
- Cost efficient
- No residue left after rinsing
- Promotes effective soil suspension
- Effectively buffers against most acidic products and soils

DIRECTIONS FOR USE

Use procedure	In laundry settings, use between 28 to 114 ml or approximately 1/8 to 1/2 cups via injection pump per 50 lb wash load.
Concentration	Use between 28 to 114 ml or approximately 1/8 to 1/2 cups per 50 lb wash load. Add directly to wash cycle.
Use temperature	Most effective in hot water.

PHYSICAL PROPERTIES

Appearance	Clear, colorless, viscous liquid
Odour	Odorless
Specific gravity @ 20 °C	1.520
Viscosity	Not available
pH	>13.5
Flash point (TCC)	None
Water solubility	Complete
Auto Ignition Temperature	Not available
Boiling point	Approx. 142°C (288°F)
Freezing point	Approx. 12°C (53,6°F)
Foaming tendency	Low
Rinsing	Excellent
Concentration monitoring techniques	Electrical conductivity, titration

INCOMPATIBILITY

Strong oxidizing materials, acids, amphoteric or light metals

WAREHOUSING PRECAUTIONS

Keep containers tightly closed away from direct sunlight in a dry, cool and well-ventilated place

AVAILABLE SIZES

		
20L	205L	1000L

IMPORTANT

Before using **WEST FL**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

Skin contact

Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.

Inhalation

Remove person to fresh air and keep comfortable for breathing. Immediately call a POISON CENTER or doctor/physician.

Ingestion

Rinse mouth. Do NOT induce vomiting. Immediately call a POISON CENTER or doctor/physician.
