

WEST POT & PAN ULTRA

CONCENTRATED, PHOSPHATE FREE DETERGENT

WEST POT & PAN CLEANER ULTRA is a high foaming dish detergent designed for manual cleaning in the warewash industry. It is used for cleaning equipment or areas that cannot tolerate corrosive products or in cases where the use of personal protective equipment is not desired.

Its recommended use dilution is typically half of similar products found in the industry, therefore providing better economy and less waste.

FEATURES & BENEFITS

- Highly concentrated
- Moderate viscosity
- Mild and pleasant odour
- 100% water soluble
- High detergent power
- Non-corrosive
- Non-irritant to skin
- Easy to rinse and does not streak
- Chemically stable, resists to alkali and acid mixes

DIRECTIONS FOR USE

Use procedure	In a sink or other container, prepare a hot solution of WEST POT & PAN CLEANER ULTRA . With a pad or brush, scrub surfaces then rinse, sanitize and let drip-dry.
Concentration	Concentrations between 1% and 3%.
Use temperature	Between 45°C and 60°C.
Dwell time/Operation time	None required when used manually.
Mechanical action	Scrubbing and high pressure hot water rinsing is usually enough to ensure a good cleaning.
Rinsing	Let soak in hot water tank and spray with high or low pressure hot water until all traces of product are removed.
Reuse / recycle	When used in a tub, product may be reused until surface foam is eliminated.

WEST POT & PAN ULTRA CONCENTRATED, PHOSPHATE FREE DETERGENT

PHYSICAL PROPERTIES

Appearance	Clear, red liquid
Odour	Perfumed
Specific gravity @ 20°C	1.02
Viscosity	100 cps @ 22°C
pH	9
Flash point (TCC)	None
Water solubility	Complete
Boiling point	100°C (212°F)
Freezing point	Not available
Foaming tendency	High
Rinsing	Excellent
Concentration monitoring techniques	Refractive index

INCOMPATIBILITY

None

WAREHOUSING PRECAUTIONS

Keep containers tightly closed away from direct sunlight in a dry, cool and well-ventilated place

AVAILABLE SIZES

			
4 X 4L	20L	205L	

IMPORTANT

Before using **WEST POT & PAN CLEANER ULTRA** always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Ingestion

Do not induce vomiting. Drink 1 or 2 glasses of water. Call a physician or Poison Control Centre immediately. Never give anything by mouth to an unconscious person.

Skin contact

Rinse skin with water. Wash contaminated clothing before reuse.

Inhalation

Not applicable.

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

PERSONAL PROTECTION

WHMIS
