

# WESTCHLOR

## LAUNDRY STAIN REMOVER

**WESTCHLOR** is cost-effective chlorine-based stain remover that can also be used as a general-purpose disinfectant.

## FEATURES & BENEFITS

- Ready-to-use bleach concentration
- Cost-effective for organic and protein stain removal
- Also functions as a general purpose disinfectant and hard-surface sanitizer

## DIRECTIONS FOR USE

<b>Use procedure</b>	Add <b>WESTCHLOR</b> via manual addition or injection pump system directly to alkali wash or cold water rinse cycle. For optimum results, use in combination with West Penetone line of laundry care products.
<b>Concentration</b>	Use at a rate of 5-6 mL per liter of wash fluid.
<b>Use temperature</b>	Cold water is recommended.

## PHYSICAL PROPERTIES

Appearance	Clear, colorless to light green liquid
Odour	Chlorine
Specific gravity @ 20 °C	1.100
Viscosity	Not available
pH	Approx. 10.5
Flash point (TCC)	None
Water solubility	Complete
Auto Ignition Temperature	Not available
Boiling point	Approx. 100°C (212°F)
Freezing point	Approx. -12°C (10.4°F)
Foaming tendency	Non-foaming
Rinsing	Excellent
Concentration monitoring techniques	Test paper strips

## INCOMPATIBILITY

Organic and combustible materials, strong reducing agents or acids, metals

## WAREHOUSING PRECAUTIONS

Keep containers tightly closed away from direct sunlight in a dry, cool and well-ventilated place

## AVAILABLE SIZES

			
	20L	205L	

## IMPORTANT

Before using **WESTCHLOR**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

## FIRST AID MEASURES

### Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

### Skin contact

Wash with plenty of water. If skin irritation occurs: get medical advice/attention. Take off contaminated clothing and wash it before reuse.

### Inhalation

Remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

### Ingestion

Rinse mouth. Do NOT induce vomiting. Call a POISON CENTER or doctor/physician if you feel unwell.
