

WESTKLEEN 4115

Alkaline degreaser

WESTKLEEN 4115 is a multi-purpose liquid cleaner which combines the qualities of a solvent and a mild alkaline detergent.

WESTKLEEN 4115 is moderately foaming and may be used manually or mechanically for medium to light cleaning duties in the food and beverage industries.

It penetrates and lifts a wide variety of organic soils including fats, grease, oil, lubricant deposits and boot marks.

FEATURES AND BENEFITS

- Low alkalinity
- Non-flammable
- Completely water soluble and forms a stable solution
- Moderate foaming
- Easy to rinse
- User safe
- Non-corrosive on all surfaces

DIRECTION FOR USE

Equipment to be cleaned Food and beverage equipment, floors, walls, etc...

Soils to be removed Animal fat, protein, organic vegetal deposits, boot marks, etc...

Use procedure Remove a maximum of soil manually. Rinse surfaces with water (high-pressure, and hot if possible) then apply **WESTKLEEN 4115** manually or with a foamer.

Concentration 1% to 5% (10 ml to 50 ml per litres of water).

Use Temperature 5°C to 60°C (60 to 140°F).

Dwell time/Operation time 1 to 25 minutes.

Mechanical action Scrubbing will enhance the result.

Rinsing Rinse all food-contact surfaces with potable water.

Reuse/Recycling No.

WAREHOUSING PRECAUTIONS

Keep containers tightly closed in a dry, cool and well-ventilated place

AVAILABLE SIZES

IMPORTANT

Before using **WESTKLEEN 4115**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

Skin contact

Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.

Inhalation

Remove person to fresh air and keep at rest in a position comfortable for breathing. Immediately call a POISON CENTER or doctor/physician.

Ingestion

Do not induce vomiting. Drink 1 or 2 glasses of water. Call a physician or Poison Control Centre immediately. Never give anything by mouth to an unconscious person.
