

WESTOKLEEN

PERFUMED CLEANER / DISINFECTANT

WESTOKLEEN is specially designed for manual cleaning and disinfecting of food handling and processing areas.

WESTOKLEEN leaves a pleasant fragrance after use. This is useful in areas such as toilets and corridors.

WESTOKLEEN offers a powerful and rapid microbiocidal action on many types of microorganisms such as bacteria, yeast and mold.

DIN 02012278

FEATURES AND BENEFITS

- Moderate alkalinity
- Quaternary ammonium compound sanitizer
- Moderate foaming
- Pleasant odour
- Cost efficient
- Safe for users and surfaces
- Does not attack mild metals or aluminum

DIRECTION FOR USE

Equipment to be cleaned	All surfaces in contact with food. All areas requiring cleaning and disinfection at the same time, such as toilets.
Soils to be removed	Food deposits.
Use procedure	Physically remove all visible debris such as meat particles. Apply hot WESTOKLEEN solution with a pad, mop or trigger sprayer. Scrub surface then rinse with hot water using a hose, mop or cloth.
Concentration	Between 1% and 3%.
Temperature	15°C to 60°C (59 to 140°F).
Dwell time/Operation time	Disinfecting: Allow surface to remain wet for 10 minutes, then remove excess liquid. If soils are stubborn, allow to dwell a few minutes before scrubbing and rinsing.
Mechanical action	Scrubbing and high pressure rinsing is recommended.
Rinsing	Rinse with water over 50°C.
Reutilisation/Recyclage	Possible in immersion tanks.

WESTOKLEEN PERFUMED CLEANER / DISINFECTANT

PHYSICAL PROPERTIES

Appearance	Clear, blue liquid
Odour	Perfumed
Specific gravity @ 20°C	1.05
Viscosity	12 cps @ 22°C
pH	11
Flash point (TCC)	None
Water solubility	Complete
Auto ignition temperature	None
Chlorine	None
Boiling point	100°C
Freezing point	Not available
Foaming tendency	Moderate
Concentration monitoring techniques	Titration, refractive index
Rinsing	Excellent

INCOMPATIBILITY

Strong acids

WAREHOUSING PRECAUTIONS

Keep containers tightly closed in a dry, cool and well-ventilated place

AVAILABLE SIZES

			
4 X 4L	20L	205L	1000L

IMPORTANT

Before using **WESTOKLEEN**, always be sure to read and follow precautions and directions for use appearing on the product's container label, and on the safety data sheet (S.D.S).

FIRST AID MEASURES

Eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

Skin contact

Rinse skin with water. Wash contaminated clothing before reuse.

Inhalation

Not applicable.

Ingestion

Do not induce vomiting. Drink 1 or 2 glasses of water. Call a physician or Poison Control Centre immediately. Never give anything by mouth to an unconscious person.

PERSONAL PROTECTION

WHMIS
